

# Telephone Account Manager

- **Hi-tech sector - employee time management**
- **Autonomy & growth potential**
- **Competitive salary, uncapped commission**

Are you ready to re-enter the workforce, or want to make a difference working for a vibrant and innovative software company specialising in online timesheets and leave requests?

Over the last four years, TimeFiler has grown dramatically by adding value to clients such as Solid Energy, Tait Radio Communications, Mercy Hospital and Colmar Brunton - to name but a few.

TimeFiler integrates with our clients' payroll system to make them hum. After implementing TimeFiler, Mercy Hospital reduced payroll processing time from four days to one day, and processing errors from 15% to just 1%.

We are looking for funky new office space in the central city to accommodate our growing business.

## **Highlights include:**

- A competitive remuneration package with great incentives
- Part-time role to fit your lifestyle or family
- New office environment with a highly skilled and motivated team

## **A brief outline of your role:**

- You will be responsible for winning new business and servicing our existing client base
- You'll work closely with our payroll system partners to develop leads and close business
- Based in Christchurch, and may involve occasional travel to other centres

## **You will need:**

- To be a self-motivated person with an eye for detail
- A proven sales record
- Excellent telephone manner and skills
- Computer savvy
